

INK COLORS

We offer 73 stock colors. The number next to the color is the closest Pantone® number (PMS) when using a Pantone® color chart. We also sell a color selector for the true representation of the color. Color matches of any color are available for \$40 per color matched per order.

Notes:

- Color changes cannot include ink colors from both Standard and Specialty inks in the same order.
- Printed colors may not directly match the Pantone Formula Guide due to printing ink systems and manufacturer ink lots. Colors are unique to transfer production and may not match Stahls' products.
